

VMARS Membership

For just £10 per year you get;

A bi-monthly newsletter containing technical articles, historical notes and discussion. Interim news sheets are issued when necessary.

Free advertising in the Newsletter and on the Internet.

Access to the VMARS data library – free by email.

Contact with other like-minded members who may be able to assist with restoration work.

A discussion forum on Yahoo.

The opportunity to use vintage radio equipment to legally participate in nets on non-amateur frequencies. (Military voice procedure is required for these – a training CD-ROM is available free to participating members)

And much more!
